AWARD INFORMATION

The College of Engineering's Graduate Complete Engineer Award is presented to a graduate student in the College of Engineering in recognition of their exemplary demonstration of the Complete Engineer non-technical competencies: Inclusive Excellence, Communication, Teamwork, Self-Management and Leadership, Civic Responsibility, and Professionalism and Ethics. Awards are made on the basis of demonstration of Complete Engineer competencies, engagement in Complete Engineer programming, and understanding of application of Complete Engineer competencies for future learning. A selection committee composed of College faculty and administration makes the recommendation of the award recipients to the Dean, based on submitted application materials.

APPLICATION INFORMATION

- This award is open to all current graduate students in the UNL College of Engineering.
- Previous recipients of this award are not eligible.
